Vision Statement

While in constant remembrance of Allah SWT and being ever mindful of the Hereafter, in a safe Islamic environment, lay the best possible foundation for our students by way of good example and relevant Islamically oriented education to the highest possible standards, so that they can take their place as an integral part of multicultural Australia as confident, contributing Muslims, united in Islam as revealed in the Holy Quran AK and according to the Sunnah of the Prophet Muhammad SAW, who will automatically be good citizens, now and in future generations, and in so doing ensuring that: **The Islamic nature of the School takes precedence over all other considerations.**

ان شاء الله

1.0 Priorities

1.1 Islamic Akhlaq

Every two weeks a different key to success and good manners will be introduced to the students for their practice at our Friday morning assembly. Parents are encouraged to check the Quranic verses and Hadiths that are placed on the school noticeboard that support each value. The teachers and education assistants regularly speak with their students about these values. It is our hope that this whole school approach will help our students to always be their very best in all ways.

1.2 Arriving at school on time

It is vitally important the children arrive at school on time. Being late for school should be an exception! This is another very good habit for the children to practice and develop. Arriving late in class causes disruption for the other students and the teacher. Plus it is a loss of lesson time for the child.

1.3 Full attendance at school

Students are expected to attend School on all required days. There should be very important reasons for your child to miss a day of school or to leave school early. Appointments are normally **not** a good reason to leave school early, and neither is tutoring or after school classes (academic or religious). We want the children to develop strong, healthy habits that support full day attendance at school. Despite this, parents wishing to pick their child early from school should do so before 3.20pm.

1.4 Embedding the culture of safe practice in our school

Our school community - the Governing Shurah, parents, staff and students have a strong commitment to embedding the culture of safe practice in our school. The Prophet (PBUH) says "Every one of you is a Protector and Guardian for those who are placed under your care". (Bukhari and Muslim).

1.5 The Walker Learning Approach

The implementation of the Walker Learning Approach (WLA) across the whole school continues throughout 2019. The WLA aims to actively engage and motivate children in their learning and strongly supports our educators to personalize student learning.

1.6 Whole School Guided Reading Program

As part of our School Improvement Plan, we are working to improve the level of our children's reading. Our teachers and education assistants have been up-skilled in the Sharp Reading Program that explicitly teaches children how to read fluently and with understanding.

2.0 General Information

2.1 Absences

The parents of any student absent will be contacted by the school office and asked to give a reason for their child's absence. Any parents who cannot be contacted will be sent the following text message:

"As Salam, pls call Al Hidayah Islamic Sch on 93518593 in relation to your child not in school today."

Parents are required to respond to the text message above and provide a reason for their child's absence. This is a legal requirement in the Education Act.

2.2 Morning arrival at School / Afternoon Departure

Children should not arrive at school before 8.00 am. Students are required to sit on the benches until class commences at 8:25 am, including those who arrive early. Students are supervised by staff from 8.00am until they go to their classes at 8:25 am.

The school day finishes at 3:30pm Monday to Thursday. Parents are required to pick up their children by **no later than 3:45pm**.

2.3 Early dismissal on Fridays (Jumu'ah - الجمعة)

Students are dismissed after Friday Jumu'ah at 2.00 pm. Parents are required to pick up their children by no later than 2:15pm.

2.4 Late Arrivals

Except for Students travelling on School Buses, Students arriving late are required to be escorted by whoever brings them to School to the School Office where they will be signed in as late-comers and their reason for being late will be recorded. Students will be issued a Late Pass from the office to hand to their teacher when they arrive at the classroom. Students without a Late Pass will be sent to the School Office.

Students arriving late for School results in lost lesson time and causes disruption to regular class activities.

2.5 Assemblies

Formal assemblies are held on a regular basis. Assemblies will be held on Fridays commencing at 12:00 pm in the Musallah area. Please check with the class teacher when your child is involved in presenting an item.

2.6 Complaints (See Parent Complaints Policy & Procedure on school website)

If you have any concerns, complaints or suggestions regarding your child's education, the school would like to hear about it. A problem can be solved if we are aware of it. Please contact the relevant staff member/s via the School Office on 9351 8593. If possible, the staff member will deal with it in person. If the staff member is not able to deal with it him/herself, he or she will refer the matter to the Principal, who will make every effort respond to the matter you raise.

2.7 Facebook

We encourage you to follow us on Facebook. The teachers and Administration regularly upload information on what the children are doing. It is a great way to stay in touch with us. The link to our school Facebook page is: fb.com/islamicschool

2.8 Enrolling

Upon enrolment, the school requires original or certified copies of the following documents: student's passport or visa details, Australian Citizenship Certificate (if applicable), birth certificate, Australian Immunisation Register (AIR) Immunisation History Statement, and the student's most recent school Academic and NAPLAN report (if applicable).

A Student Enrolment Form must be completed in full and signed by a parent or guardian. It is essential that the school have several alternative telephone numbers in the event of accidents or illness. A non-refundable registration fee of \$25 per child is payable upon submission of the enrolment form.

2.9 Leaving School Grounds During School

During the hours from 8:00am to 3:45pm Monday to Thursday and 8:00am to 2:15pm Friday, Students are our responsibility, and whilst in our care must **not** leave the school grounds without our knowledge. If, for some very important reason, your child needs to leave school early, please inform the office and the classroom teacher. The process of picking up your child must commence through the School Office and follow our school procedure.

2.10 Library

All children must have a library bag before they can borrow books from Bentley Library. Respective class teachers will advise their students on how many books they can borrow at any one time.

2.11 Lost Property

Each year we have a substantial number of lost property items that remain unclaimed. To help prevent this from occurring, it is important all stationary and clothing including shoes, hats etc. are clearly labelled with a permanent laundry marking pen. All lost property is stored in the School Office and is displayed from time to time at the assembly. Unclaimed items will be disposed of at the School's discretion.

2.12 Money Collection

If money is sent to school with students for such things as excursions, please place the correct amount in a sealed and taped envelope. Please print the student's name, Class Year and purpose of the payment on the outside of the envelope and hand to the class teacher. Tuition and bus fees may only be paid by Parents/Guardians.

2.13 Newsletters

Newsletters will be sent home every term, informing parents of the school activities and forthcoming events. The eldest child of the family will be responsible for taking notices home. When the eldest child is absent, a copy of the newsletter is available from the office for parents to collect. Community notices may be included in the newsletter at the discretion of the Principal.

2.14 Parent Teacher Meetings

There will be two formal Parent Teacher Meetings per year which will be held towards the end of Term 1 and Term 3 on Pupil Free days. It is ongoing School Policy that Parents/Guardians are welcome at any time to make an appointment with a Teacher via the School Office to discuss Student progress.

2.15 Parent Involvement

The "Open Door" policy with regards to parent involvement has been and always will be encouraged throughout our school community. The staff are very keen to involve parents in school life as much as possible for you to play a vital part in the total education of your children. Therefore, you are invited to participate in the following ways:

- Attending Parent Support Meeting that are held regularly.
- In the classroom

The School will not be held responsible for any valuables or non-essential that are brought into the School.

2.21 Special needs

Parents are advised to talk to the Teacher and Principal about any special needs that may be required while the students attend the school. The school has limited resources and facilities to cater for special needs.

2.22 Extended Leave/ Vacations

Students must attend ALL days of school. This is a legal requirement. The Principal cannot approve Leave/Vacations. It is important that parents inform the Office of any absence by completing the Leave Form.

1. Parents need to complete the written Leave Form for the Principal which might be followed up by an interview with the Principal.

2. Once formal acknowledgment by the Principal is given, parents contact the child's teacher at least two weeks in advance.

2. The hair may be worn long and combed with a parting down the middle or on one side but the hair itself may be no longer than a point between the

bottom of the ear lobes and the shoulders, the hair just touching the shoulders being the absolute limit in length.
